BOOTHEEL 7 RANCH IS 4TH GENERATION FAMILY OWNED AND OPERATED ON THE HIGH PLAINS OF THE AMERICAN ROCKIES

BOOTHEEL7RANCH.COM

Last Updated: December 2024

We are thrilled to introduce Bootheel 7 Ranch to you as a potential partner and welcome opportunities for collaboration between our brands.

About Bootheel 7 Ranch

- Bootheel 7 Ranch is a 4th-generation family-owned and operated ranch located on the high plains of the American Rockies in Lusk, Wyoming (approx. 200 miles from Denver).
- Nearing our 110th anniversary, we are committed to authentic, sustainable, and humane ranching practices with full transparency in knowing where your food comes from.
- We are proud to produce award-winning Black Angus beef that reflects our family's century of experience in agriculture, genetics, and exceptional care of our land.
- Each product is crafted with meticulous attention to detail and finished with our standard 21-day dry age. We adhere to rigorous standards to ensure the highest level of quality and consistency across all of our cuts - steaks, ground beef, primals, and specialty cuts alike.

Why Partner with B7R?

Quality and Authenticity: We are committed to delivering products that are not only high in quality, but also reflect the rich traditions of our ranch.

Sustainable Practices: We embrace sustainable ranching practices and regenerative farming to ensure our beef is responsibly raised and harvested.

Direct Supply Chain: We believe that knowing where your food comes from makes all the difference. At a time when grocery prices are high, recalls are frequent, and beef supply is low nationwide, we want to highlight a cornerstone of our operations: **our fully direct supply chain**. From birth, to butcher, to delivery to you, every step of the process is under Bootheel 7 Ranch care, ensuring the integrity of our beef at every turn.

Our supply chain infographic (p.5) illustrates how our beef travels from our family-owned pastures right to your door. This transparency allows you to feel confident that each cut of meat on your table comes from sustainably pasture-raised, humanely processed, and carefully handled Black Angus cattle — all within local proximity to Denver.

Why choose a direct supply chain? Our partners and customers reap the benefits. Maintaining a direct supply chain allows us to mitigate the cost of production without sacrificing quality. By cutting out middlemen, we maintain exceptional quality and processing standards and ensure freshness, all while reducing our carbon footprint through local operations. **With convenient online ordering, local pickup points, and direct delivery, we aim to make it simple to bring our award-winning, 21-day dry-aged beef to your customers.**

Thank you for considering Bootheel 7 Ranch as a potential partner. We are confident that a partnership will enhance your offerings and satisfy your customers' desire for superior-quality beef.

We look forward to discussing how we can work together. Reach out to us at 303-330-1460 or jake@bootheel7ranch.com to schedule a meeting or gather further information.

With gratitude,

Jake Kugler
Managing Partner,
Bootheel 7 Ranch

BLACK ANGUS BEEF

SUSTAINABLY PASTURE-RAISED

& 21-day dry aged

STEAKS

Balancing incredible marbling and tenderness, paired with our standard 21-day dry-age, B7R steaks are a crowd favorite among our customers and partners.

GROUND BEEF

Our ground beef is a perfect blend that balances distinguished taste and texture. Made from 21-day dry-aged beef cuts including arm roast, mock tender, short rib, round steak, and sirloin.

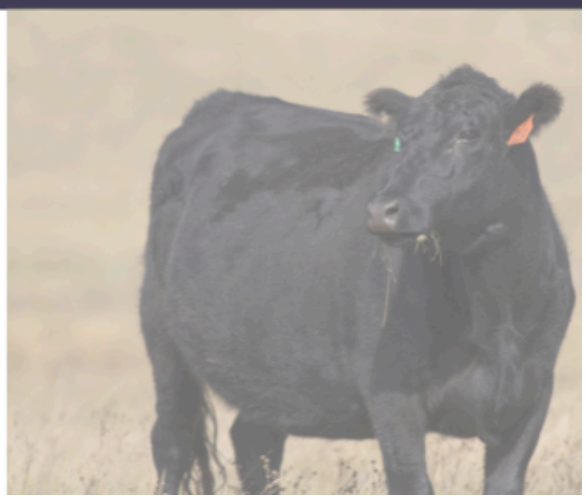

PRIMALS

From export ribeyes and briskets, to tenderloins and chuck rolls - browse our selection of versatile primal cuts, perfect for butchering to your exact specifications.

THE B7R DIFFERENCE

Our Black Angus cattle are born and pasture-raised at Bootheel 7 Ranch just 200 miles north of Denver.

Superior herd genetics are just the beginning of our story; every year we breed for specific genetic traits, including exceptional tenderness, marbling, and flavor.
